Principal's Message

Congratulations to the Student Council for their untiring efforts in making this Annual a success, for their devotion to duty, and for their service to their fellow students.

I extend my deepest appreciation to the student body for backing the Student Council in its efforts and for so liberally subscribing for the Annuals by which it was made possible.

I extend thanks to the faculty for their noble cooperation, and especially to Mrs. Harrell and Mrs. Galloway for their untiring efforts in working with the Student Council, not only on the Annual, but as co-sponsors of the Student Council.

Sincerely,

We at Bethlehem are proud of our Parent Teachers Association. Not only is it active, but, with over 65 members, it is one of the largest in Northwest Florida.

Our P. T. A. meets monthly to discuss problems concerning our school. Out of these meetings have come some very constructive policies affecting our citizens of tomorrow.

We take pride in the many projects that have been undertaken and successfully completed through the efforts of our P. T. A. As a direct result of these efforts our basketball teams have new uniforms, the auditorium stage is equipped with new curtains, and the Senior Class each year receives a gift of twenty-five dollars.

These are just a few of the accomplishments of our P. T. A. With the continued support of our parents and teachers the only steps made will be forward.
